Ramla

LANGUAGE

- English - Excellent
- Hebrew - Native Speaker

SKILLS SUMMARY

- Java (Including OOP)
- Python
- C/C++
- Machine & Deep Learning
- NLP
- Image Processing
- Computer Vision
- Numpy, Pandas, Scikit-Learn

EDUCATION

Research Assistant

Exploring the Turing test via **Prompt Tuning** and **LLM** tools.

Ariel University

Master of Computer Science with **Thesis**
2023-2025

Ariel University

Bachelor of Computer Science
2021-2024

Full High School Diploma with Honors, Harel High School, 2017-2021

Completed 5 units in Mathematics, Physics, Computer Science, Software Engineering, and English.

EXPERIENCE

Teaching Assistant, Ariel University

Led courses like "Intro to Java", "Data structures" and "Discrete Structures".

Mentor, Dean of Student's Office - Ariel University

Tutored courses like "Data structures", "Linear Algebra" and "Probability 2".

Projects Creation

Have some remarkable projects involving **training models** in **machine learning, LLM, image processing, and sentiment analysis.**

HOBBIES

Street Workout

Exploring the world of AI(e.g., reinforcement reinforcement learning)

Gaining expertise in stock market investing
